## HOW TO REGISTER FOR VIRTUAL CAREER FAIRS

Virtual career fairs on Handshake give you the opportunity to meet recruiters and other employees through video sessions. Attending video sessions, instead of an in-person fair, means there is no waiting in line to talk to recruiters. When you register for a virtual career fair on Handshake, you sign up for specific session times—securing your spot to meet with the employers you're interested in.

This semester, we are offering four virtual Career Fairs. Check out how to register:

- 1) Login to your free Handshake account with your school email and password
- 2) Click the "Events" tab at top of page
- 3) Once redirected, select "Career Fairs"
- 4) Click the fair you wish to register for and select "register" at top right corner
- 5) Browse through available sessions and register for a specific time to talk to certain companies!
