I'm Sarah, and I'm a rising senior at the University of Mississippi. I'm studying finance and spent last summer as an analyst for Goldman Sachs, where I focused mainly on comparative financial performance analysis. Now that I'm graduating in May, I'm hoping to find a full-time role as an investment banking analyst.

“I'm Matt and I just graduated from the University of Mississippi with a degree in English! I've worked as a freelance writer for lifestyle publications like Bustle for the past two years, and am looking to grow as a full-time reporter in the entertainment. I'm proficient in Photoshop, certified in Google Analytics, and have experience managing social media channels for small businesses.”
